OVERALL COMMENT: Erica, you showed a lot of growth in a short amount of time. You handled yourself with poise and professionalism with a challenging group of students. I hope you learned some good classroom management pieces to be able to implement into your own classroom. Continue to reflect on the positive aspect of your lessons and modify unsuccessful parts. Remember to build trusting relationships with students, as you did when you were in my room. The most important thing we can do as educators is connect with the children. I wish you well in your student teaching and beyond. Diana
